

ANNUAL NOTIFICATION
AVAILABILITY OF THE ASBESTOS MANAGEMENT PLAN

In compliance with the US Environmental Protection Agency, (EPA) Asbestos Hazard Emergency Response Act (AHERA), an asbestos re-inspection of asbestos containing building materials was performed for each school building on May 24th, 2019. The information regarding asbestos containing building materials in the school district was submitted to the New York State Education Department in August of 2019. The inspection findings are in the asbestos management plan and are on file in the school administrative office. A walk through inspection was done on July 29, 2020.

The EPA requires a re-inspection of the asbestos materials every three years and a periodic surveillance every six months. The next Triennial re-inspection will be conducted no later than July 8th, 2022. This notice is intended to fulfill annual notification requirements.

The Asbestos Management Plan for the Granville Central School District is available to the public for review during the following hours at the District Office, 58 Quaker Street, Granville, N.Y. 12832. Monday through Friday 8:00 AM-4:00 PM.
